A Message from i3 Academy

Dear Parents, Guardians, and Students;

The administrators, teachers, and staff of i3 Academy are pleased to welcome you. We are looking forward to working with you, our students, and their families. Our goal is to help each student reach the high standards that have been established for our schools.

This handbook will support us as we work together to provide high-quality educational programs for all of our students. The handbook contains important information about our schools and can serve as a valuable reference for you throughout the school year. Please read the handbook and be sure to save it.

The handbook is important because:

- It explains many of the policies and procedures.
- The Code of Honor explains how students are expected to behave toward their teachers and their classmates as well as what happens when students do not meet these expectations.
- It describes the many ways families can support their child’s learning at school and at home.
- It describes the rights of students and their families, for example:
  - the right to be treated equally regardless of race or disability,
  - the right to privacy regarding student records, and
  - it also advises parents and student about what to do if they think their rights have been violated.
- It gives helpful information on many topics including attendance, health services, and much more. It has helpful tools such as the Directory of i3 Academy, a checklist for solving problems, educational resources for students and families and the school year calendar.

All our policies and procedures have only one goal, which is to help every student to achieve high academic standards in a safe, respectful, and positive learning environment. Together, we can achieve that goal.

i3 Academy Mission Statement

To empower learners to become agents of change who solve the problems they see in the world.

i3 Academy Vision Statement

We envision a world in which all learners are equipped to excel in a global society.

What Is a Charter School?
Charter schools are public schools of choice that have greater flexibility in implementing teaching methods and philosophies. A charter school operates according to the terms of a charter, or contract, that has been approved by a local and state board of education. The charter school may request waivers from certain provisions of Alabama state law and any state or local rule, regulation, policy, or procedure relating to schools in the school district. In exchange for this flexibility, the charter school is bound by contract to be held accountable for meeting the performance-based objectives specified in the charter.
ENROLLMENT AND REGISTRATION

Admissions and Enrollment
A copy of i3 Academy Admission and Enrollment Policy is included as Attachment A at the end of the Handbook.

Change of Address
If a student’s residence or contact information changes during the school year, the parent or guardian is required to notify the school. The parent or guardian should complete a change of address form, accompanied by new proof of residency documentation. This information must be submitted within fourteen (14) days of any move or change of address. This form should be returned to the Main Office.

Custody
Parents are encouraged to provide the school a copy of all court order(s) regarding the custody of the child. i3 Academy personnel may request custody documentation should a question arise. Student enrollment forms, as well as other official documents of the school should be signed by the natural parent or guardian with whom the child resides. The school will give to non-custodial parents, upon request, all information required under the Family Educational Rights and Privacy Act (FERPA) and the laws of Alabama, unless there is a valid court order directing the school not to divulge such information. If such an order exists, a copy must be presented to the principal. Updated custody agreement forms should be on file with i3 Academy at all times. Restricted pick-up of any parent or guardian will only be adhered to with evidence of court ordered documents or a current custody agreement stating pick-up or visitation are restricted.

Grade Placement
If acceptable documentation for determining grade placement is not presented at the time students are enrolled, students will be temporarily assigned to a grade until determination as to final grade placement can be made.

Verification of Residency
A school system employee or designee may visit the address given by any parent/guardian to verify residency. The property address given must be the actual location where the student and parent/guardian live full time. Schools may request a parent/guardian provide proof of residency if: (1) mail is returned from the student’s address of record; (2) a student’s attendance record indicates a pattern of absences, tardies; or (3) other circumstances are presented that place the school on notice that the address of record is invalid/inaccurate for the student.

Withdrawal from School
At the time of withdrawal, students must return all resources, such as devices, library books, and other school-owned items. Any such items not returned, for which the student is responsible, must be paid before any records can be released. The school may withhold grade reports, diplomas, and/or certificates of progress until all school-owned items have been returned in good order and/or restitution is made for damaged school-owned materials.

When students transfer or withdraw from school, parent(s)/guardian(s) are required to come to the school and sign the necessary forms. A 48-hour period is necessary to process all withdrawal paperwork. Students’ grades and transcripts will not be released until all accounts are cleared. In situations where a custodial parent enrolls a child in school, that same parent should be the person...
who withdraws the child from school. However, the custodial parents who enrolled the child in school may give certified written permission to the school to allow a non-custodial parent to complete withdrawal procedures. i3 Academy may withdraw a student without parent/guardian permission as required and permitted by the Alabama State Board of Education Rules.
ATTENDANCE

Attendance Policy
i3 Academy maintains attendance regulations that follow guidelines of the Birmingham Public Schools attendance policy. Students are expected to be in school except in cases of illness or emergency (see list of Excused Absences and Tardies below). Only when attendance is regular and punctual can students fully capitalize on the many opportunities for successful learning that this school offers. The school and its families must work together to ensure the regular attendance of all students. While the school recognizes the value of family trips, it is strongly recommended that such trips correspond with the generous vacations already built into the school calendar to avoid the loss of valuable class time. Students are responsible for any work missed due to an absence, whether excused or unexcused. Parents are required to notify the school of a child’s absence as soon as possible and preferably before the start of the day on which the student will be absent. If the school has not been notified about an absence in a timely manner, the school will attempt to contact the family by phone to inform them about the student’s absence. Parents can also verify their child’s attendance via PowerSchool.

*NOTE: Students who arrive at school after 11:00 a.m. will be counted as absent for the day.

Absence Policy
Please refer to the information below regarding the school’s absence policy:

1. After two (2) unexcused absences the teacher/school will contact the parent by phone, email or in person and remind them of the school’s attendance policy. The teacher/school will document the contact with the parent.
2. After three (3) unexcused absences the school social worker will send a first (1st) notice to the parent reminding them of the school’s attendance policy and intervene to support if necessary. A second (2nd) notice will be sent after five (5) unexcused absences.
   *Notices will be mailed to the address listed in the school’s records.
3. If the student accumulates more than five (5) unexcused absences a referral will be made to the school social worker. The school social worker will contact the parent and collaborate with the administrative team. A referral to Family Court will be made.
4. If the student continues to accumulate absences, a meeting will be scheduled with an i3 Academy administrator and the social worker to determine the student's continued enrollment at i3 Academy.
5. A student can be withdrawn from school if they accumulate more than ten (10) consecutive, unexcused absences for the year. The school social worker contacts the parent at three (3) unexcused absences. The teacher refers the student to the social worker at five (5). The social worker will meet with the parent to intervene/ set parameters for withdrawal. If the student continues to accumulate absences of ten (10) or more they can be withdrawn. i3 Academy’s social worker will indicate to administrators which students have not improved.

Absences and Excuses
Proper documentation must be provided. Students are not permitted to be absent from school without a valid excuse. Absences will be designated as excused or unexcused. Excused absences will be permitted for the following reasons:

- Personal illness
- Hospitalization
- Emergency
● Death in immediate family
● Court subpoena
● Religious holidays with prior Head of Schools approval
● Absences approved by the Head of School
● School Sponsored Educational Opportunity
● Quarantine
● Suspension
● Expulsion
● Medical (or dental) appointments

Documentation supporting an excused absence must be submitted within three (3) school days of the absence or the absence will be deemed to be unexcused. Special and extenuating circumstances will be considered and reviewed by the Head of School. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

Absence Documentation Requirement

Parent’s Notes
All absences require a written note from the parent/guardian explaining the absence(s). The student should deliver the note to the front office when they return to school. Failure to submit such notes within three (3) days after returning to school will result in an unexcused absence being recorded.

Doctor’s Notes
Upon return to school, a student absent for more than 5 consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student’s extended absence from school.

Excused/Unexcused Absences
When verified by the parent or guardian, excusable absences will be recorded in the student’s permanent record as an “excused absence”. The school does not excuse absences for assisting at home, babysitting, family vacations, shopping or for other reasons deemed capricious by the school authorities. In addition, teachers are not responsible for providing private instruction for work missed through absences for the aforementioned reasons. Such absences must always be reported to the school and will be recorded on the child’s permanent record as “unexcused absences”. Continued or chronic absence/ tardiness for illegal reasons may result in referral to the Student Support Team (SST), or the Alabama Department of Human Resources (DHR), and excessive illegal absence/ tardiness may result in the retention of a student at grade level and referral to the juvenile authorities.

Students who have an excused absence shall have the opportunity to make-up work. It is the responsibility of the parent and student to contact the teacher(s) involved to determine make-up assignments and establish mutually agreeable terms for daily work and test make-up. Students will be granted the amount of time they were absent to make up work. Major project or quarter exams missed during suspensions will be made up within the same number of days as the length of the suspension.

If a student is marked with an unexcused absence for the school day, the student will not be allowed to participate or attend extracurricular activities scheduled for the same day that the student is absent.
Tardiness Policy
All students must arrive at school and be in the assigned classroom by 8:00 a.m. Students are considered tardy when entering the classroom after the 8:00 a.m. bell rings. Ten tardies is equal to one unexcused absence. Repeated failure to comply with this policy could result in retention or the student losing the privilege of attending i3 Academy.

Tardiness Procedures
Students who arrive after the 8:00 a.m. bell rings must be signed in by the adult who brought them to school. Only proof of medical and dental appointments will be considered for excused tardiness. Please thoroughly examine the school’s tardy policy below:

1. After three (3) unexcused tardies the teacher/school will contact the parent by phone, email and/or in-person and remind them of the school’s attendance policy. The teacher/school will document the contact with the parent.
2. After five (5) unexcused tardies the school will send a first notice to the parent reminding them of the school’s attendance policy and intervene to support if necessary. After ten (10) unexcused absences a second notice will be sent.
3. If the student accumulates more than ten (10) unexcused tardies a referral will be made to the school social worker. At 10+ tardies parent(s)/guardian(s) and/or the student are required to attend a mandatory meeting regarding attendance.
4. A committee will develop progressive intervention plan with parents/guardians to prevent additional tardies, which can include monitoring, counseling, mentoring, as well as additional family support services.
5. A due process model will be implemented to address continued and repeated tardiness. Continued and repeated tardiness will jeopardize the student’s continued enrollment at i3 Academy.

*Notices will be mailed to the address listed in the school’s Student Information System (SIS).

Truancy
Parents or guardians are required to ensure that students under their care, custody or control attend school regularly. Habitual or excessive absence from school may require school officials to refer the matter to juvenile authorities or to initiate truancy proceedings. [Reference: Ala. Code §16-28-1, et seq. (1975); Ala. Admin. Code 290-3-1-.02]. The Compulsory Attendance Law requires all minor students to attend school on a regular basis.

When a child is absent, parents, guardians, or other persons who have control of a child enrolled in i3 Academy should report reasons for absences in compliance with Policy and Regulation Alabama law requires that after any student accrues five (5) days of unexcused absences in a given school year, the parent, guardian, or other person who has control or charge of that child shall be in violation of O.C.G.A -20-2-690.1 (b). Any child that is subject to compulsory attendance who, during the school calendar year, has more than five (5) days of unexcused absences is considered truant.

The law states the following: “Any parent, guardian, or other person residing in this state who has control or charge of a child or children and who violates this Code section shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to a fine or not less than $25.00 and no greater than $100.00, or imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the court having jurisdiction. Each day’s absence from school in
violation of this part after the child's school system notifies the parent, guardian, or other person who has control or charge of a child of five unexcused days of absence for a child shall constitute a separate offense."

- i3 Academy will notify parents/guardians when a student has accumulated five (5) unexcused absences. The family will be referred to Family Court for further actions.

Violation of i3 Academy Attendance Policies
Students with excessive unexcused absences and/or tardiness are in violation of our attendance policy. Students who have exhibited a pattern of poor attendance from the previous school year and/or have exceeded the current school year maximum number of unexcused absences and or/tardies may be placed on attendance probation. Students on probation can be withdrawn when 2 absences and 5 tardies are reached. A due process model will be implemented to address continued and repeated tardiness. Continued and repeated tardiness will jeopardize the student's continued enrollment at i3 Academy.
GENERAL INFORMATION

After School Programs
i3 Academy has developed a diverse, engaging, and safe aftercare program for students in Kindergarten through 5th grade. Aftercare is offered Monday-Thursday from 3:00-5:30 p.m. There is a nominal weekly charge for this program as well as a scaled fee plan available for families with multiple children.

Birthday and Other Celebrations
i3 Academy’s emphasis on Health and Wellness necessitates a strict policy on outside foods that are brought into the school. Beyond the normal concerns around food allergies, the 2021-22 school year still boasts concerns around COVID which precludes not only visitors, but also outside items being brought into the school. Lastly, and most importantly, research shows that students benefit from well balanced nutrition and as such, i3 Academy does not allow outside foods, snacks, or treats to be brought into the classrooms.

Clubs, Organizations and Extracurricular Activities
While our COVID protocols during the 2020-21 school year have dramatically limited nearly all extracurricular activities, it is our intention to offer the most complete school experience possible for our students and their families. As we begin to more fully develop these programs, we will use the guidelines below.

Students may be offered an opportunity to participate in extracurricular activities and organizations. An extra-curricular activity is defined as an organized school function that requires after school practice and performance. Examples are athletics, band, clubs, drama and chorus. The Head of Schools will identify school functions that meet these criteria and ensure that sponsors, students, and parents are so informed. Extracurricular activities must meet the following criteria:

- The organization or activity must be approved by the Head of School and must have an assigned faculty supervisor/sponsor;
- The organization or activity must promote or serve the intellectual, cultural, personal, or physical development of the student in a manner that is consistent with the purposes of public education, the Board’s legal mandate, mission statement, policies, and regulations, and with applicable requirements of state and federal law;
- Extra-curricular activities subject to this policy may establish additional requirements;
- The sponsor of an extracurricular activity will be responsible for providing the Head of School or designee with a list of participants and the governing rules and by-laws;

The organization or activity must operate under and subject to general supervision of school officials.

Communication
Communication is key to our community’s success. i3 Academy utilizes a number of communication outlets for general announcements including, but not limited to email, robocalls, backpack mail, and our private Facebook group and other social media outlets. However, the most essential communication is between teachers and their students’ families. Families should expect regular communication from their child’s teachers. They will rely on phone calls, emails, and direct messages through our learning platforms as the main means of communication.

Contacting Staff Members
Communication between faculty and parents/guardians is critical for students’ success:
1. Parents/guardians should expect faculty to respond to phone calls and emails within two business days (48 business hours).
2. Upon receipt of a conference request, staff members will attempt to schedule conferences within the next ten (10) business days. The parent/guardian should report to the office at the time of the agreed appointment and the main office staff will provide a visitor’s pass and notify the staff member.
3. Please always check in at the main office and refrain from going directly to classrooms or offices before the main office has contacted the staff member.
4. Under no circumstances should a parent go directly to a classroom or instructional area without prior consent from the main office.

**Dress Code**
While attending school, all students must be in uniform daily. Uniforms must be neat and clean. Students should also practice good hygiene. If a child is out of uniform, parents will be contacted and required to bring the necessary items before students are admitted to class. Coats, jackets and other over-garments, which are not part of the school uniform, must be stored in an assigned location. For safety concerns, students are not allowed to wear coats and jackets during the school day. i3 Academy uniform policy is as follows:

*Administrators reserve the right to request removal of clothing items deemed as inappropriate/out of compliance of school policies and expectations*
Early Dismissal
Requests to be dismissed before the end of the school day must be limited to emergencies or medical appointments which otherwise could not be addressed during after school hours. Parents should not check out students out of convenience. For example, checking student(s) out for the purpose of avoiding carpool traffic. Students who need to leave early should bring a note from their parents on the morning of the day of the early dismissal. Parents have to check their child out from the front desk using standard checkout procedures. Frequency of early dismissals will be monitored. Early dismissal ends at 2:30 p.m. Students will not be released after 2:30 p.m.

Emergency Procedures
i3 Academy has developed a comprehensive safety plan that will be practiced throughout the school year. Emergency procedures are posted throughout all school buildings. Students and faculty will participate in training and drills of emergency procedures annually. During emergencies where evacuation of the building is necessary, all visitors are required to participate in drills as well.

Field Trips
Field experiences are a major part of the curriculum and are heavily encouraged. Parents will receive notices of field trips in advance and will be required to sign a field trip permission form. At times a small contribution may be requested to help defray transportation or facility cost. No student will be penalized in any manner or denied the opportunity to go on the field trip that is part of the regular academic program for failure to contribute. Under no circumstance will a student be allowed to leave the school grounds without a permission slip signed by a parent/guardian. Students and parents are expected to adhere to all deadlines related to returning permission slips. Emails or verbal authorities from parents are not allowed.

Field trips are a privilege. A student can be excluded from participation in field trips as a consequence for inappropriate behavior on the school grounds or based on inappropriate behavior displayed on previous field trips. Expectations on field trips are the same as those we have on campus. Students who cannot meet expectations and follow school conduct rules on a field trip are subject to the same disciplinary action as would apply if they were on school property. Failure to meet expectations on a field trip may result in the revocation of a students’ privilege of participating in future field trips and/or other school activities.

Homework
Homework is an extension of the school day. Students are expected to meet the deadlines given by their teachers. The school-wide homework focus is on building fluency in both reading and mathematics, as well as to review concepts that have been previously taught. Students should read appropriate texts and practice mathematics facts outside of the school day. Teachers may provide additional practice and reinforcement via online platforms, resources and Google Classroom.

Late Pick-Up
The school day ends at 3:00 p.m., but carpool is extended until 4:00 p.m. Students are expected to be picked up on time, between 3:00 p.m. and 4:00 p.m. After 4:00 p.m., parents will be required to sign out their child from the front office. After three (3) late pick-ups, the parent(s)/guardian(s) will be contacted by our social worker or another representative from the Student Support Team to discuss possible solutions to the pattern of late pick-ups and/or to assist in the removal of any challenges to meeting this expectation.
Please note that the school will make every effort to contact you should your child not be picked up by 5:30 p.m. If the student is not picked up by 5:30 p.m. we will refer the matter to the local authorities to ensure the child’s safety until which time that they can be safely retrieved.

Lost and Found
To the best of our ability, i3 Academy’s faculty will make every effort to return all lost items to their rightful owners. To support us in that effort, please label all clothing and other items, such as lunch boxes, with your students last name and first initial. The items in lost and found are culled on a regular basis. All items labeled with a student’s name are returned to that student. At the end of each semester families will have the opportunity to identify lost items that have not been labeled. All unclaimed items will be donated to families in need through i3 Academy’s Pantry.

Meals
Breakfast and lunch will be served to all students daily. The following guidelines will be used for parents or guardians who need to drop off their child’s lunch during the school day:
  ● Only parent(s) or guardian(s) may drop off lunch for a student.
  ● Please bring the lunch to the front office.
  ● Please make sure the student’s name is on the bag or container.

Media
The media may choose to cover events of interest at i3 Academy’s campuses throughout the year. If for any reason a parent or guardian does not wish his/her child’s image to be in print or video media, you must submit a media release form. Media release forms at the main office.

Money and Other Valuables
Students should not bring money, property, or other valuables to school, especially electronics. Money for school sanctioned events or activities, such as field trips, should be sent in a sealed envelope labeled with the student’s name. If money is required for other reasons, students and parents will be notified. The school will not assume the responsibility for any lost or stolen items.

While it is the responsibility of the student to secure and maintain the safety and control of any and all valuables, the administration of i3 Academy and its entire staff will also hold students accountable for any deliberate theft or misuse of another students’ property. Students are not allowed to sell or solicit funds of any kind without the consent of an administrator. Students are not permitted to give items on campus without consent from an administrator. This includes candy, sodas, or any other materials.

Multimedia Center
Our Media Specialists manage electronic, print, video, and other traditional and nontraditional information resources, and help individuals within both schools retrieve and organize information. The instructional material in the schools’ media centers enriches the education of children, improves research skills, and helps teachers to individualize instruction. Books and other materials, such as magazines and reference articles, are available for both classroom and personal use. The cooperation of parents is requested to ensure that materials are used and returned promptly. Students are expected to respect the rights of all students who are entitled to a quiet workplace, and to take good care of media center materials. Students are responsible for damaged or lost materials.
Off-Campus Events
During the 2020-21 school year, i3 Academy is hopeful that our students will have the opportunity to enjoy experiences beyond our campus. As more and more destinations begin to open up, we will take the opportunity to engage our students in firsthand experiences. Families will receive specific information related to field trips as those opportunities become available. As we plan these experiences, i3 Academy will adhere to the guidelines below.

Student participation in and travel to off-campus events, concerts, functions, and activities, and the use of school buses or other transportation for such purposes may be authorized under and subject to the following terms and conditions:

- The destination is an activity, event, or function that services a bona fide educational or related extracurricular purpose, or is an athletic event or function sponsored or sanctioned by the school or the school system and the state athletic association;
- Adequate information regarding the trip (e.g., destination, duration, purpose, educational purpose, mode of transportation, nature and extent of student participation) has been provided to the Head of School;
- Adequate arrangements are made for supervision and other risk management considerations (e.g., parental permission, medical treatment authorization, special insurance requirements);
- Properly certified and qualified drivers have been selected and arrangements for the costs of the trip (e.g., salary, fuels, maintenance, lodging) have been made;

The Head of Schools is authorized to develop additional specific requirements for participation in and travel to and from official events and activities that are consistent with the terms of this policy.

Parent-Teacher Conferences
Parents and guardians are encouraged to utilize regularly scheduled parent-teacher conference days to address student issues. If you submit a request for a conference beyond the regularly scheduled conference days, please allow 48 hours for a response and ten (10) days for a teacher to schedule your conference.

Report Cards
At the end of each grading period, a thorough report of student progress is presented in a report card that includes:

- The overall quality of performance according to the standards of each discipline.
- The level of the student work (above, below, or on grade level).
- A brief description of any standards where a student is notably strong or weak.

Restrooms
Students should use the restroom between classes, before and after lunch, returning from Enrichment and Wellness classes, or as directed by a teacher. Students who need to use the restroom during class times must obtain permission from their teacher along with a hall pass.

Responsible Technology Use
At i3 Academy, we use technology to enhance our mission to teach the skills, knowledge, and behaviors students will need to succeed in the global society. We expect students to embrace the following principles so they may become responsible, digital citizens. These technologies may include, but are not limited to, school-provided equipment as well as personal devices (computers, tablets, cell phones, laptops, netbooks, e-readers, interactive whiteboards, etc.). All students are expected to adhere to the terms outlined in the school's Technology Use Agreement and practice
digital citizenship.

1. i3 Academy technology is intended for educational purposes only.
2. All activity over the network or while using i3 Academy technologies will be monitored.
3. Access to online content via the school network will be filtered in accordance with our policies and federal regulations, including the Children's Internet Protection Act (CIPA).
4. Users are expected to follow the same rules for good behavior and respectful conduct online as offline.
5. Misuse of school resources will result in disciplinary action.
6. i3 Academy makes every effort to ensure users’ safety and security online, but will not be held accountable for any harm or damages that result from use of school technologies.
7. Users of the school network or other technologies are expected to immediately alert school personnel of any concerns for safety or security (duty to inform).
8. Any electronic device that is being used inappropriately will be confiscated and students will receive a consequence, including loss of technology privileges.
9. Students/parents will be held responsible for damaged technology.

**School Closings and Delayed Openings**

In the event of inclement weather, the i3 Academy will follow the advice of the Jefferson County EMA as well as forecasts from local, regional, and national sources. The decision to close the main campuses will be based solely on the safety of our students and faculty. When possible, instruction will occur remotely (synchronous and/or asynchronous) during day(s). All school closings will be communicated through the phone system and via email notifications.

Please note all decisions relative to this issue are made with the safety and well-being of all students foremost in our minds. However, you may feel that conditions in your area are not sufficiently safe to send your child to school on the day in question. Therefore, on days of questionable weather conditions when school is in session, parents/guardians are advised to use their discretion as to whether or not to send their children to school on that day (this would be considered an unexcused absence).

**School Telephone Use and Student Use of Electronic Devices**

Students will only be allowed to use the school telephone for emergencies and only with staff permission and supervision. Students are strongly discouraged from bringing electronic devices to school. If a student is found using an electronic device during the school day (i.e., cell phone, walkie-talkie, smart watch, hand held video games, tablet and other electronic communication devices) the device will be given to an administrator. A parent or guardian will need to retrieve the device from the administrator.

**Sexual Harassment Prohibited**

Sexual harassment in any form that is directed toward students is prohibited. Persons who violate the policy will be subject to the full range of disciplinary consequences up to and including termination (for employees) and expulsion (for students) as dictated by the nature and severity of the violation and other relevant considerations. If appropriate, the circumstances constituting the violation may be reported to law enforcement agencies or child welfare agencies for further investigation and action.

**Definitions**
For purposes of this policy, sexual harassment means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a sexual nature, and any other gender-based harassment, whether initiated by students, school employees, or third parties, when:

- Submission to the conduct is made explicitly or implicitly a term or condition of the student’s education, including any aspect of the student’s participation in school-sponsored activities, or any other aspect of the student’s education;
- Submission to or rejection of the conduct is used as the basis for decisions affecting the student’s academic performance, participation in school-sponsored activities, or any other aspect of the student’s education;
- The conduct has the purpose and effect of unreasonably interfering with a student’s academic performance or participation in school-sponsored activities or creating an intimidating, hostile, or offensive education environment.

The following are examples of conduct that may constitute sexual harassment, depending on the circumstances:

- Verbal harassment or abuse of a sexual nature, including graphic comments, the display of sexually suggestive objects or pictures, and sexual propositions;
- Repeated unwelcome solicitations of sexual activity or sexual contact;
- Unwelcome, inappropriate sexual touching;
- Demands for sexual favors accompanied by implied or overt promises of preferential treatment or threats about the student’s educational status.

**Sexual Harassment Complaint Procedures Authorized**

The Head of Schools is authorized and directed to establish, implement and revise more detailed sexual harassment complaint procedures to provide students who believe that they are victims of unlawful sexual harassment with a thorough, discreet, and prompt internal procedure for investigating and resolving sexual harassment complaints. The procedures facilitate the gathering of relevant facts and evidence, permit timely assessment of the merits of the complaint, provide an opportunity for informal resolution of complaint where appropriate, eliminate any harassment that is established by the investigation, and prevent any retaliation based upon the filing of the complaint. These procedures reflect due regard for the legal rights and interests of all persons involved in the complaint, and will be drafted, explained, and implemented to be understandable and accessible to all student population groups and ages.

A student who invokes the harassment complaint procedure will not be required to present the complaint to the accused or suspected harasser for resolution. Students will be permitted to report allegations of suspected harassment to any appropriate Board administrator, teacher, counselor, or employee, and such persons have a duty to promptly refer such allegations to the Head of Schools or his/her designee or to take such action as may be required by the procedures established under “Sexual Harassment Complaint Procedures Authorized” (6.11.3) above. In no case will any employee who is the subject of a complaint be permitted to conduct, review, or otherwise exercise decision making responsibility in connection with the processing of the complaint.

The Head of Schools or his/her designee will promulgate and disseminate this policy and the complaint procedures to the schools and will take such other steps and measures as may be reasonably available and expedient for informing the school community of the conduct prohibited by this policy and the recourse available to students who believe that they have been subjected to sexual harassment.
Visitors
All visitors must enter through the front lobby and sign in at the front desk. Due to COVID protocols visitors are not allowed inside the school buildings at this time. Any visitor who enters any building beyond the front office without a faculty escort will be asked to return to the front office. School staff will provide additional visitor assistance, as needed.

Medications: Students who need to receive medication at school must have their physician complete the Parent/Prescriber Medication Authorization consent form. This form must be brought to your child’s school nurse by the parent/adult along with the medication and signed by both the health care provider and the parent. If a prescription medication is needed, the form and the information on the
prescription bottle must match. If an over the counter (OTC) medication is needed for the duration of the school year, the same rule must apply. Any medication must be brought in its original, unopened container by the parent/legal guardian or authorized adult representative.

**GENERAL INFORMATION:** We love seeing your child at school every day; however, there will be times that he/she should stay home due to illness. The following is a brief list of some of those times. Please contact your school nurse if you have any questions.

- **Fever** – temperature of 100 or above. Your student should remain home until fever free for 48 hours without the aid of fever reducing medication.
- **Vomiting** - Your student should NOT attend school if they have vomited within the last 24 hours. If they are sent home from school due to vomiting, they should be free from vomiting for at least 24 hours prior to returning to school.
- **Diarrhea** - Your student should remain home if they have had diarrhea within the last 24 hours. If they are sent home from school due to diarrhea, they should be free from diarrhea for at least 24 hours prior to returning to school.
- **Undiagnosed rash** - Your student should not attend school until the rash has been diagnosed and treated. Some rashes may be extremely contagious.
- **Pink Eye (conjunctivitis)** – Pink eye is contagious. Your student should be seen by your doctor and treated with the antibiotic eye drops for 24 hours before returning to school.
- **Lice and/or nits (eggs)** – Your student should not return to school until he/she has been treated with a lice shampoo and removed as many nits as possible. You must accompany your student upon his/her return to school. Your student must be checked by the school nurse prior to returning to class.

For specific health room information, please visit the School Health Room page at [https://www.i3academy.org/SchoolHealthRoom.aspx](https://www.i3academy.org/SchoolHealthRoom.aspx).

**Student Health Services**

The Board may offer limited student health services that are designed to address minor medical issues that may arise during the school day or to assist with special or chronic health problems. In cases of acute or contagious illnesses, parents or guardians may be notified and required to pick up the student. If a parent or guardian is not available, the Head of School or school nurse may contact the Department of Public Health. School officials are authorized to take reasonable and appropriate steps to provide or arrange for the provision of emergency medical services to students who require immediate medical attention. In case of illness or accidental injury not requiring immediate medical attention, standard first aid procedures may be followed. The Head of Schools is authorized to develop and promulgate procedures, rules, and regulations concerning the taking, administration, and handling of medication at school consistent with state law and appropriate health standards.
PARENT AND STUDENT RESOURCES

Academic Interventions Literacy and Math Labs
i3 Academy utilizes a systematic and comprehensive process to close the achievement gap with students who are performing below grade level in reading and/or mathematics. It is the goal of i3 Academy to provide students with equitable support through the consistent use of differentiated instruction. Through the efforts of our academic support faculty and technological resources, we offer intensive student support, based on consistent data collection, in varying forms. We offer reading and math labs, after school tutoring opportunities, assistive technology and a wide array of online/virtual interventions. We believe we can ensure equitable and consistently differentiated instruction that best serves the needs of our learners. Tier two and tier three academic interventions are provided through our Literacy and Math Labs as well as classroom response to intervention in small groups. i3 Academy uses a variety of data sources to determine which students receive interventions. Student’s progress is monitored on an ongoing basis. Eligibility for this support is re-assessed regularly. An individualized intervention program and timeline of instruction are then developed for each student. Each student’s progress is carefully monitored by their instructor(s), and interventions are adjusted according to the student’s current needs and progress. Students requiring the most intense level of intervention as determined by data from multiple sources will receive their interventions in the lab setting. The school reserves the right to determine the appropriate intervention delivery model for students. When students consistently meet grade level norms and expectations, they may transition to labs and RTI.

Child Find
The purpose of Child Find is to identify, locate, and evaluate children and youth, birth to age 21, who are suspected of, or have a disability or developmental delay, in order to provide free and appropriate special education services. Child Find offers comprehensive special education services to eligible students ages three through 21 years of age. Parents of students who suspect their child may have a disability, should contact the teacher, principal, or the SST/RTI Specialist. All referrals are considered confidential, and services are provided at no cost. The parent, legal guardian, or surrogate parent retains the right to refuse services and are provided other procedural safeguards under federal and state law.

Public school services include screening in areas of suspected disabilities, such as vision, hearing, autism, motor skills, speech, language, and general development. Evaluations in the schools are provided for several areas of suspected disabilities including learning disabilities, speech and language development, orthopedic impairments, vision or hearing problems, intellectual disabilities, emotional behavior disorders, autism spectrum disorders, health impairments, traumatic brain injuries, and significant developmental delay. For more information concerning eligibility criteria and referral procedures, contact the Special Education Lead Teacher.

Equal Educational Opportunities
No student will be unlawfully excluded from participation in, be denied the benefits of, or subjected to discrimination in any program or activity offered or sponsored by the Board on the basis of race, ethnicity, color, disability, creed, national origin, sex, immigrant or migrant status, non-English speaking ability, or homeless status.
Gifted Education Program
The Gifted Education Program provides differentiated instruction for intellectually advanced and creatively gifted students. According to the Alabama Exceptional Child Education Act (ACT 106) and the Alabama Administrative Code, a gifted student is defined as follows:

Intellectually gifted children and youth are those who perform or who have demonstrated the potential to perform at high levels in academic or creative fields when compared with others of their age, experience, or environment. These children and youth require services not ordinarily provided by the regular school program. Children and youth possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Gifted students receive a minimum of five segments of instruction each week from a gifted endorsed teacher. Services may be provided using several instructional models: advanced content, resource model (meeting outside of the regular classroom with a gifted endorsed teacher) and/or students may be placed in cluster groups within the regular education classroom of a gifted endorsed teacher. The specific courses for a student are determined by past classroom performance, nationally normed achievement test scores, and teacher recommendations.

Homeless Children and Youth
The McKinney-Vento Homeless Assistance Act (the Act) ensures educational rights for children and youth experiencing homelessness. The primary goal is educational stability. The Act defines homeless students as those who lack a fixed, regular and adequate nighttime residence. This includes:

1. Children and youth who are forced to share the housing of other persons due to the loss of housing, economic hardship, or similar reason; live in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; live in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;
2. Children and youth who have primary nighttime residence that is not designated for or ordinarily used as regular sleeping accommodation for human beings;
3. Children and youth who live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; or
4. Migratory children are considered homeless when they are living in circumstances set forth in items 1, 2 and 3.
5. Unaccompanied youth are students who are not in the physical custody of a parent/guardian and are living in a homeless situation.

Homeless students have certain educational rights and can: enroll without delay in school without proof of residency or permanent address, immunization, school records, or other documents or while documentation is being obtained; choose between the local school where they are living or the school last attended before becoming homeless, when requested by the parent and determined by the schools to be feasible and in the student’s best interest; attend school and participate in school programs with children who are not homeless; and received all the school services available to other students including transportation services, special educational services where applicable, and meals through the schools meals programs.

To be considered eligible, to enroll, and for more information regarding homeless education services, contact Mr. Christopher Bouyer, Social Worker.
Hospital Homebound
Hospital Homebound (HHB) instruction is designed to provide continuity of educational services between the classroom and home or health care facility for students at i3 Academy whose medical needs, either physical or psychiatric, do not allow school attendance for a limited period of time. HHB instruction may be used to supplement the classroom program for students with health impairments whose conditions may interfere with regular school attendance (e.g., students receiving dialysis or radiation/chemotherapy; or students with other serious health conditions). For additional information, contact a member of the Student Support Team.

School Counselors
School counselors provide a safe, nurturing environment to foster a trusting relationship with students. Parental permission is not required for students to see the counselors or to participate in classroom guidance activities. In this confidential relationship, students can explore their feelings and experiences in hopes of finding a meaningful, positive solution to their personal issues. In many cases, school counselors work on problem solving, decision-making, and goal setting with the student. School counselors do not take the place of private therapists and cannot provide long-term therapy for students. Parents, teachers, and students can initiate a referral to the school counselor.

School Health Services
The School Health Services Program provides coordinated school-based nursing service for students. Services provided by school nurses require a referral and parental/guardian consent for individualized screenings (e.g., vision, hearing, dental, scoliosis). Referrals of individuals with health problems or suspected health problems are accepted from parents, school personnel, students and health care providers in the community and must be submitted to the school-based health services professional of the central health office personnel.

School Nutrition Program
Well-nourished students are more likely to perform at their maximum potential and flourish socially and emotionally. Students who are physically active sleep better and are better able to handle the academic and emotional challenges that they encounter during the day.

School Social Workers
School social workers’ primary role is that of a liaison/child advocate. The school social worker collaborates and consults with students, parents, school administrators, faculty, and the community in the identification of family and student concerns. Social workers use interventions and services that help children and families who are at risk of educational failure. The social worker addresses issues such as excessive absenteeism and personal and behavior problems that interfere with a students’ education. For additional information contact Christopher Bouyer, i3 Academy’s social worker.

Student Support Team (SST)
The SST works with students, their families, and our faculty to assist in overcoming any challenges or obstacles to a full school experience for our stakeholders. The members of the SST develop individual plans for each child’s educational and social-emotional development, engage classroom teachers and parents in creating school-wide and individual plans, and connect students and families to partners and service providers. SST is intended to support student achievement, socialization skills, attendance, and parental involvement.
i3 Academy’s Code of Honor (the “Code”) comprehensively describes the rules and standards of conduct and discipline that will be maintained and enforced within i3 Academy.

Dear Parents, Guardians, Students, Faculty and Staff of i3 Academy,

We are happy to present i3 Academy’s Student Code of Honor. This code details, not only the rights and responsibilities for all stakeholders, but also the programs and processes (e.g. expectations S.O.A.R, Response to Intervention (RTI), Social Emotional Learning (SEL), and Restorative Practices) that we have implemented to establish expectations, support students, and ensure calm, orderly learning environments.

Our Code of Honor is designed to help all stakeholders -- students, families, faculty, administration, and our governing board -- understand how we can work together to establish equitable learning environments that encourage accountability, responsibility, commitment, and collaboration. We will depend on the code to build and sustain a positive school climate, respond to individual circumstances, encourage prosocial behavior, and address unmet expectations in a restorative manner. We believe that exclusionary discipline should be used sparingly and as a last resort. i3 Academy's Code of Honor is used as a tool to communicate principles and processes that go beyond traditional approaches to discipline and establish a clear set of expectations necessary to foster a positive school climate.

It is critical that all stakeholders read and review this code to develop a clear understanding of how our programs and processes work in concert to achieve our goals of improving student achievement, creating and sustaining calm, orderly learning environments, and enhancing the partnerships between home and school. Any questions or feedback should be directed to i3 Academy’s administrative faculty.

Social Emotional Learning (SEL)
Our SEL curriculum serves as the foundation of our discipline program by fostering a warm, welcoming classroom culture where students feel safe and have a strong sense of belonging. As a result, SEL work enables teachers to build authentic relationships with their students. A well-implemented SEL curriculum, practiced to fidelity, helps students develop the skills to recognize and regulate their own emotions. Engaging students in daily SEL instruction enables them to establish healthy identities, achieve personal goals, develop and show empathy for others, and make responsible decisions. To this end, we facilitate Morning Circle at the beginning of each day and end our days with a Closing Circle. The consistent practice of circling up daily affords teachers and students a common practice to address any issue that arises during their day.

Restorative Practice
Restorative Practice departs from more traditional disciplinary practices in that it seeks to hold students accountable for their actions and repair relationships that are harmed by the actions of others. This practice enables those that cause harm to be accountable for their actions and for everyone involved to share responsibility for repairing the damage. It is an inclusive process that offers timely consequences. Our SEL practice of circling up lends itself nicely to the facilitation of Restorative Practice.

Response to Intervention (RTI)
Also known as Multi Tiered Systems of Supports (MTSS), RTI is a systematic process that ensures all students receive the support they need for continuous academic growth and to develop essential, prosocial behaviors. Monthly RTI meetings are attended by grade level teachers, academic and behavioral interventionists, members of the student support team, and administrators. The purpose of these meetings is to identify students with specific academic and behavioral needs and assign targeted interventions for these students. The goal of this process is to work closely with students to meet their needs and engage them with grade-level academic and behavioral expectations.

Like the RTI process for academics, the support system for behavior has three tiers or levels. The first tier is focused on our core program which is made up of school wide expectations and our SEL curriculum. Tier one instruction takes place in the classroom and includes all students. This first tier is in place to ensure that each individual student acquires essential social skills and develops behaviors necessary for the next grade level.
The second tier of our RTI process offers additional support and practice for students to develop essential behaviors on grade-level. To support the process, teachers collect data related to individual student behavior. Based on this data, teachers identify students they believe will benefit from tier two interventions. Teachers will inform parents or guardians that their student has been identified for tier two support. These interventions take several forms and may be led by a teacher or by a member of the student support team (SST). They focus on one behavior for a specific amount of time. The goal is to help the student develop the targeted skill and exit tier two support better prepared for the classroom.

Our third tier of behavioral support focuses on intensive, individualized support for students. As with tier two supports, students are identified through the RTI process based on data collected by teachers and other faculty who work with the student. These one-to-one interventions are led by our counselors, social worker, and/or behavior specialist who develop, implement, and monitor individualized plans. Tier three behavioral supports provide frequent remediation based on the behavior and give support for developing prosocial behaviors. Like tier two interventions, tier three interventions focus on a specific behavior and occur for a specific amount of time with the goal of developing skills that will enable the student to return to the classroom and utilizing those enhanced skills to participate in class.

Our intent is to utilize our processes, programs, and practices to help students develop the skills necessary to meet expectations and behave in a manner that supports calm, orderly learning environments. However, there are some behaviors that must be met with more intense consequences. While we believe that exclusionary discipline, such as suspension, should be used sparingly, when student behavior becomes a risk to themselves or others, the administration is left with few choices. Our students’ safety is our highest priority. Unlike traditional suspensions, i3 Academy’s administration will do all they can to minimize the impacts of exclusionary discipline including, but not limited to, offering remote instruction during time out of class, extending in-person learning opportunities to make up for instruction missed during time out of class, and facilitating and implementing a re-entry plan for the student.

**Discipline Procedures**

Our highest priority is the safety of our students. To that end i3 Academy has established school wide behavioral expectations (see matrices below for both campuses). Teaching (and reteaching) these specific, school wide expectations reduces undesirable behaviors and provides a calm, orderly learning environment. All faculty and staff are expected to hold students accountable for their behavior. Responses to unmet expectations should be positive, proactive and implemented with the end goal of supporting the student to learn (relearn) and demonstrate expectations.
Behaviors and Responses

At i3 Academy we view behavior as a form of communication. The guide below is meant to provide clarity and consistency for specific behaviors. It is understood that there will be exceptions to the behaviors listed in the guide. When addressing behavior, faculty lead with empathy and treat each instance of student behavior individually. Faculty also consider developmentally appropriate expectations, student needs, and individual behavior expectations such as IEPs and BIPs.

POLICIES AND PROCEDURES

Corporal Punishment
The Board does not permit the use of corporal punishment however, personnel are not prohibited from using appropriate physical contact, restraint, and/or intervention in response to emergencies or other circumstances reasonably requiring such action.

Data Collection and Review
The primary means of data collection is the behavior log. The behavior log is reviewed daily by the Student Support Team (SST) and the Assistant Principal for Student Affairs. The data collected in the behavior log will be summarized each semester and made available to the community.

Due Process
Due process safeguards must apply in instances where the behavior or rights of others are being evaluated. Students must be treated fairly, with respect, and in consideration of all the circumstances at hand. Students have the right and will be fully informed of behavior that does not meet expectations and given the opportunity to correct themselves and continue with their learning unless that behavior is chronically disruptive and/or endangers the student or others.

Electronic Communication Devices
The display of and/or use of wireless communication devices, e.g. cell phones, or any use of other electronic communications devices used by students for non-instructional purposes is prohibited on any i3 Academy campus. If a student is found to have a device, it will be given to an administrator and a parent or guardian must retrieve the device from the administrator. The Board assumes no responsibility for theft, loss, or damage to any personal communication device (e.g. cell phone, tablet, laptop, etc.). School officials may read, examine, or inspect the contents of any such device upon reasonable suspicion that the device contains evidence of an actual or suspected violation of the law, of Board policy, of the Code of Honor, or of other school rules, provided that the nature and extent of such examination shall be reasonably related to the suspected violation.

Family Educational Rights and Privacy Act (FERPA)
According to FERPA parents and legal guardians have the following rights:

- inspect and review your child's record;
- seek to amend the record if you believe it to be inaccurate;
- consent (or not) to disclosures of personally identifiable information; and
- file a complaint with the U.S. Department of Education

Either parent has the right to review an education record unless there is evidence of a court order or state law revoking or restricting these rights. Parents may access the education records of eligible students if they claim the student as a dependent for income tax purposes. However, agencies may require verification of the requester's relationship with the child before providing access to records.
The right of parents to access information is limited to their own child or children. If the education record includes information about other students, that information must be removed prior to disclosure so that parents do not have access to any other child's records. (34 CFR § 99.12)

When parents (or eligible students) request to review their records, the education institution must respond within 45 days, even if these records are kept by an outside party acting for the school. During these 45 days, the education institution cannot destroy any of the requested record.

Harassment, Violence, and Threats of Violence Prohibited
No student shall engage in or be subject to harassment, violence, threats of violence, or intimidation by any other student that is based on any of the specific characteristics that have been identified by the Board in this policy. Students who violate this policy will be subject to disciplinary sanctions.

Definitions
The term “harassment” as used in this policy means a continuous pattern of intentional behavior that takes place on school property or at a school-sponsored function including, but not limited to, written, electronic, verbal, or physical acts that are reasonably perceived as being motivated by any characteristic of a student, or by the association of a student with an individual who has a particular characteristic, if the characteristic falls into one of the categories of personal characteristics set forth in Section 6.23.2(b) below. To constitute harassment, a pattern of behavior may do any of the following:

● Place a student in reasonable fear of harm to his or her person or damage to his or her property.

● Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student.

● Have the effect of substantially disrupting or interfering with the orderly operation of the school.

● Have the effect of creating a hostile environment in the school, on school property, or at a school-sponsored function.

● The term “threat of violence” as used in this policy means an expression of intention to inflict injury or damage that is made by a student and directed to another student.
The term “intimidation” as used in this policy means a threat or other action that is intended to cause fear or apprehension in a student, especially for the purpose of coercing or deterring the student from participating in or taking advantage of any school program, benefit, activity or opportunity for which the student is or would be eligible.

The term “student” as used in this policy means a student who is enrolled in the i3 Academy system.

**Personal Searches**
Students may be searched whenever reasonable suspicion exists that the student possesses prohibited materials, illegal substances, weapons, or other items that are reasonably deemed to present a risk or threat to the safety and welfare of the school community. Student searches must be conducted by a school administrator in the presence of another certified school employee and may include a frisk or “pat down” of the student, a search of personal items and clothing. Personal searches will be conducted with due regard for the age and gender of the student. Searches that require physical contact between the school official and the student, removal of clothing, or examination of the student in a way that would implicate privacy concerns must be conducted and witnessed by officials of the same gender as the student and in a way that preserves the dignity of the student to the extent practicable under the circumstances. Refusal to submit to a search or to cooperate in a search as provided in this policy may be grounds for disciplinary action. A record of the search shall be made, and a copy filed in the Head of School’s office. Parent(s)/guardian shall be notified, in writing, of all such searches of a student’s person. A copy of said notice shall be retained by the Head of School.

**Questioning Students**
A student enrolled in the school shall not be questioned by any law enforcement authority on public school property during regular school hours without the knowledge of the school’s Head of School or designee. Every reasonable effort shall be made to have a parent or guardian present. In those instances where a parent/guardian cannot be present within a reasonable period, school officials may allow interviews by law enforcement officials to proceed in the absence of the parent or guardian. Any questioning of a student shall be conducted in private, with an official school representative (Head of School or designated representative) present. Other non-school persons shall not interview students at school except for Department of Human Resources (DHR) personnel or parents or guardians.

**Searches of School Property**
All school system property, facilities, and grounds may be entered, inspected, and searched for any lawful purpose by Board officials or their designees at any time, without prior notice and to the fullest extent permitted by law. The right to enter, inspect, and search includes and extends to (but is not limited to) Board owned or controlled offices, desks, file cabinets, lockers, computers, files, documents, data, and devices however and wherever kept, stored, or maintained.

**Searches of Personal Property**
Personal property, including but not limited to vehicles, purses, wallets, gym bags, book bags, cell phones, computers, and other devices may be searched by authorized school officials, including school Head of Schools or their designees, when reasonable suspicion exists that the property
contains prohibited materials, illegal substances, weapons, or other items that are reasonably deemed to present a risk or threat to the safety or welfare of the school community.

**Seclusion and Restraint**
All schools and programs will follow Alabama Rule 290-3-1-.02(1)(f) with respect to the use of physical restraint and seclusion. The Head of Schools or his/her designee will develop procedures that will specify the way the schools and all personnel within i3 Academy will execute the requirements of said rule. [Reference: Ala. Code §16-28A-2 (1975)]

**Student Suspension (including Students with Disabilities)**
In order to maintain order, minimize the risk of potential personal injury, property damage or disruption to the learning environment, the Head of Schools may temporarily suspend a student pending a conference with the parent or guardian of the student and a final disciplinary decision. In-school and Out-of-school suspension may also be imposed as a disciplinary measure as provided in the Code of Honor. Out-of-school suspensions will be counted as unexcused absences except in the case of truancy. Make up work may be permitted for such absences unless permitting such work under the circumstances would be impractical or impossible, would serve no purpose, would place school personnel at risk of harm, or would be unreasonable considering the grounds for the suspension. Suspension of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations

**Student Expulsion (including Students with Disabilities)**
Students may be expelled from school for behaviors serious enough to warrant such action as provided in Code of Honor or other disciplinary policies. Students who are recommended for expulsion may be suspended until such time as the Board meets to consider the recommendation for expulsion. Reasonable notice of the proposed action, the reasons therefore, and an opportunity to be heard will be afforded to the student and the student’s parent or guardian prior to a final decision by the Board regarding expulsion. The Head of Schools will notify the student or the student’s parent or guardian, in writing, of any action taken by the Board. The term of an expulsion may extend to the maximum permitted by law. The Board may impose such reasonable limitations on the student’s right to re-enroll in the school system following expiration of expulsion as may be permitted by law. A student who withdraws from school prior to the Board’s consideration of a proposed expulsion may not re-enroll in the school system until the Board holds a hearing or other appropriate proceeding regarding the recommended expulsion. Expulsion of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations.

**Use of Recovered Items**
Property, material, substances, information, or records that are obtained, discovered, or recovered as a result of a search may be retained and used for any lawful purpose.

504 Procedural Safeguards

1. Overview:

   Any student or parent or guardian (“grievant”) may request an impartial hearing due to the i3 Academy’s action or inactions regarding a child’s identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the SST/RTI Specialist; however, a grievant’s failure to request a hearing in writing does not alleviate i3 Academy’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the SST/RTI Specialist. The SST/RTI Specialist will assist the grievant in completing the written Request for Hearing.

2. Hearing Request:

   The Request for Hearing must include the following:
   a. The name of the student.
   b. The address of the residence of the student.
   c. The name of the school the student is attending.
   d. The decision that is the subject of hearing.
   e. The requested reasons for review.
   f. The proposed remedy sought by the grievant.
   g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant’s Request for Hearing, the SST/RTI Specialist will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the SST/RTI Specialist will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.
3. Mediation:
   i3 Academy may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and i3 Academy must agree to participate. The grievant may terminate the mediation at any time. If the mediation is terminated without an agreement, i3 Academy will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.

4. Hearing Procedures:
   a. The SST/RTI Specialist will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant’s Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
   b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.
   c. The grievant will have an opportunity to examine the child’s educational records prior to the hearing.
   d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the SST/RTI Specialist of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the SST/RTI Specialist in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.
   e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances of law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e., a recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. 34C.F.R. 104.34). One or more i3 Academy’s representatives, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.
   f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
   g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
   h. The hearing shall be closed to the public.
   i. The issues of the hearing will be limited to those raised in the written and oral request for the hearing.
   j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
   k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
Unless otherwise required by law, the impartial review official shall uphold the action of
the school system unless the grievant can prove that a preponderance of the evidence
supports his or her claim.

m. Failure of the grievant to appear at a scheduled hearing unless prior notification of
absence was provided and approved by the impartial review official or just cause is
shown shall constitute a waiver of the right to a personal appearance before the
impartial review official.

5. Decision:
The impartial review official shall issue a written determination within 20 calendar days of the
date the hearing concluded. The determination of the impartial review official shall not include
any monetary damages or the award of any attorney’s fees.

6. Review:
If not satisfied with the decision of the impartial review official, any party may pursue any right
of review, appeal, cause of action or claim available to them under the law or existing state or
federal rules or regulations.

Title IX
In accordance with Title IX (20 U.S.C. §1681, et seq.), the Board strictly prohibits discrimination
based on sex or gender in its programs or activities, including sexual harassment, as defined by law
and Board policy. Sexual harassment complaints should be filed and reviewed under the Board’s
student sexual harassment policy. All other complaints under Title IX will be filed and reviewed
according to the Board’s general complaint and grievance procedures.

Title IX Coordinator
The Head of Schools is authorized and directed to designate a Title IX Coordinator, whose duties will
include but are not limited to receiving and responding to Title IX inquiries and complaints.

FAMILY EDUCATION RIGHTS & PRIVACY ACT NOTICE

Rights under the Family Educational Rights and Privacy Act (FERPA):
The right to inspect and review the student’s education records within 45 days of the day the school
receives a request for access. Parents or eligible students should submit to the school principal a
written request that identifies the records they wish to inspect. The principal will make arrangements
for access and notify the parent or eligible student of the time and place where the records may be
inspected.

The right to request the amendment of the student’s education record that the parent of an eligible
student believes is inaccurate or misleading. Parents or eligible students may ask the school to
amend a record that they believe is inaccurate or misleading. They should write to the school
principal; clearly identify the part of the record they want changed and specify why it is inaccurate or
misleading.

If the school decides not to amend the record as requested by the parent or eligible student, the
school will notify the parent or eligible student of the decision and advise them of their right to a
hearing regarding the request for amendment.

The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosures without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a school approved volunteer; a person or company that is under the direct control of the school with respect to the use and maintenance of education records and with whom the school has contracted or who volunteers to perform a service or function for which the school would otherwise use employees (such as an attorney, auditor, medical consultant, therapist, insurance adjuster); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses educational records, without consent, to officials of another school in which a student seeks or intends to enroll.

The school may disclose appropriately designated “directory information” without written consent, unless you have advised the school to the contrary in accordance with school procedures. Disclosures of “directory information” relating to individual students will be made under limited circumstances without the written consent of the parent, legal guardian or eligible student. These circumstances include when directory information is posted in schools such as on displayed student work; when printed in school publications such as graduation programs, yearbooks, or school playbills; in school communications for student recognition or information; when disclosed to the United States military; law enforcement entities; welfare agencies; colleges; universities and other post-secondary institutions; scholarships-granting organizations; and other entities as approved by the Superintendent or his/her designee.

Directory information is information that is generally not considered harmful or an invasion of privacy if released. Directory information includes student name; student address; student telephone listing; email address; photograph or image; date and place of birth; student grade level; student participation in officially recognized clubs and athletic activities; student weight and height, if the student participates in an athletic activity; dates of attendance at i3 Academy; enrollment status; most recent educational agency or institution attended; and degrees, honors, and awards received.

The school records and maintains audio recordings and video or photographic footage and audio recordings of students on school property and at school events in locations including, but not limited to, parking lots, school buses, lunchrooms, classrooms and hallways. Such information is used and maintained for security and other informational purposes, including yearbooks, video, school publications, school websites and school social media such as Twitter, Instagram and Facebook. In many cases, recordings or photographs contain directory or peripheral video or photographic footage of students engaged in day-to-day activities. The school’s designee(s) may crop, edit, or treat the photograph, video, or audio clip.
Peripheral video footage, photographic images, or audio recordings of day-to-day student activities do not include footage of a student or students committing, being involved in, or witnessing a violation of law or school rule, procedure, or policy. The school may also determine that other activities do not qualify as peripheral images, footage, or recordings on a case-by-case basis.

**Parents/Guardians of students under 18 years of age or a student 18 years of age or older objecting to the release of this information should place their objection in writing and notify the Office Manager, no later than September 3, 2020, or written ten calendar days of the student’s enrollment.** The school will keep any opt out provided in the student’s permanent record folder.

i3 Academy will also directly notify, such as through U.S. mail or email, parents of students who are to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation in the specific activity or survey. i3 Academy will make this notification to parents at the beginning of the school year if the school has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts parents will be provided reasonable notification of the planned activities and surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this direct notification requirement:

- Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by the US Department of Education.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with the Family Policy Compliance Office – U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202.

Educational records as defined by law or Board policy will be available for examination and review by authorized persons in the manner prescribed and to the extent required by law. **i3 Academy Nondiscrimination**

The i3 Academy’s Board of Directors believes that all students are entitled to equal educational opportunities regardless of their race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical status, military status, veteran status, marital status, sexual orientation, gender identity, or expression, genetic information, ancestry, or any legally protected status. No student shall be subjected to discrimination or harassment because of the student’s race, color, religion, sex, citizenship, ethnic or national origin, age, disability, medical expression, genetic information, ancestry, or any legally protected status in any of i3 Academy’s education programs, activities, or practices. i3 Academy’s current policy prohibits discrimination based on gender identity and expression. The school values the uniqueness of every student; therefore, whenever a student identifies himself or herself as being transgender, if the family desires to do so, the school will collaborate with the student and family to develop a plan for the student.

The board further recognizes its responsibility in accordance with applicable laws (Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act) to ensure that all students have an equal opportunity to benefit from and participate in all programs and activities of the school system. Additionally, sexual harassment is a form of sex discrimination prohibited by Title IX. i3 Academy is committed to upholding these laws and takes discriminatory behaviors seriously.
i3 Academy has established both informal and formal procedures for resolving any complaints of discrimination, harassment, or bullying. Allegations of discrimination should be reported immediately to an administrator or counselor at the school.

A student may make a direct report to their school administrator. The school administrator shall assist the student with formalizing and processing the complaint, which should include a statement of facts, identification of witnesses and any other information necessary to fully describe the matter. Formal complaints should be filed within 30 calendar days of the alleged incident. All inquiries and discrimination complaints filed with i3 Academy (except in extenuating circumstances) are confidential to the fullest extent possible. Confidentiality also applies to the investigative process of all investigations conducted by the Office of Human Resources. All school personnel who have knowledge of the occurrence of discrimination should immediately make an appropriate report of the alleged misconduct to the appropriate principal, assistant principal, or to the Office of Human Resources.

Students should note that it is unlawful for a student to falsify, misrepresent, omit or erroneously report information regarding instances of alleged inappropriate behavior by a teacher, administrator, or other school employee including during off-school hours.
Admissions and Attendance

Compulsory Attendance and Entrance Age – All persons between the age of six and seventeen years of age are required by state law to attend school for the minimum number of scholastic days prescribed by the State Board of Education unless the person holds a certificate of exemption issued by the Head of Schools or is otherwise exempt under state law.

Admission to Schools

i3 Academy is a public charter school. Applications for enrollment are open to all students within Birmingham. Should the number of applications exceed the number of available seats for a specific grade, a random lottery will be held to fill the available seats and offered to those students and their families who will be asked to complete the enrollment process. A waiting list of completed applicants will be maintained so should a student chosen through the lottery choose to not attend students for that grade on the waiting list will be identified for enrollment.

- Resident Students – i3 Academy students must live within the Birmingham City School district and must reside with parents or legal guardians, or with an adult resident of the Birmingham serving as the student’s guardian. Power of attorney, under §26-2A-7 of the Code of Alabama, may only be used for a period of one year and accepted only under extreme extenuating circumstances as determined by the Head of Schools or his/her designee. Residency on the basis of an appointment or delegation of authority for educational purposes will not be recognized if the guardianship is used for the purpose of evading otherwise applicable residency requirements and will not be recognized for successive school years except on a showing of unusual hardship or other special circumstances warranting an extension.

- The student must reside every day with the parent/guardian or the attorney-in-fact whose power of attorney can be used for only one school year. If the Head of School receives one of the following complaints, the attendance supervisor, accompanied by a uniform police officer, will make a home visit:
  - Student does not reside with the parent, guardian or attorney-in-fact;
  - Guardianship documents or power of attorney documents have not been properly executed;
  - Guardian or the attorney-in-fact does not live within the Birmingham City School District.

If the attendance supervisor cannot confirm residency and/or guardianship, the Head of School will notify the guardian or the attorney-in-fact that the student’s enrollment will be terminated. The guardian or the attorney-in-fact may appeal this decision by notifying, in writing, the Head of School. A hearing panel will be convened and consist of the Head of Schools or designee, attendance supervisor and school administrator. The guardian or the attorney-in-fact will be informed of the decision of the panel.

If joint custody has been awarded and one of the parents resides within the Birmingham City School District, the student will be eligible to attend the i3 Academy if the student is living with that custodian for at least three (3) consecutive days during each school week.
If the parent/guardian or the attorney-in-fact has been found to live outside of the city limits, but has recently established residence within the city limits, complete documentation must be confirmed before the student may enter the i3 Academy. A home visit may be required prior to enrollment to confirm residency.

All homeless, migrant, and immigrant students, children in foster care, and English language learners will have equal access to the same free appropriate public education, including public preschool education, provided to other children and youth and will be provided the opportunity to meet the same challenging state content and state student performance standards to which all students are held without being stigmatized or isolated.

The enrollment of homeless, migrant, and immigrant students, children in foster care and limited English proficient children and youth shall not be denied or delayed due to any barriers that are specifically prohibited by applicable law.

**Homeless Students**

Homeless students will be permitted to enroll without regard to residency status and may be entitled to other accommodations under federal law. Homeless students will continue in the school of origin for the duration of homelessness. Students may enroll in any public school that non-homeless students, who live in the attendance area in which the students reside, are eligible to attend.

If the school enrollment decision is contrary to the wishes of the student’s parent/guardian, the school will provide the parent, guardian, or unaccompanied youth with a written explanation of the decision, a statement of the right to appeal, and procedure for appealing the placement decision. The Head of School of this school will notify the Board’s Homeless Liaison of the dispute and take steps to resolve the dispute.

When a dispute arises regarding school placement, the system will immediately enroll the homeless student in the school in which enrollment is sought by the parent, guardian, or unaccompanied youth, pending resolution of the dispute. The Board’s Homeless Liaison will expeditiously take steps to resolve the dispute. If the dispute cannot be settled by the homeless liaison, the liaison will assist the complainant in seeking technical assistance from an appropriate service agency.

**Students Expelled or Suspended from Other School Systems**

Any student who is under suspension or expulsion from another school system or a private, parochial, or other school will not be permitted to enroll until the student has satisfied the conditions for readmission set by the expelling or suspending board or authority in addition to generally applicable admission requirements established by the Board.

**Required Documentation**

Students entering the school system for the first time, regardless of grade level, are not required to submit a birth certificate, but may be requested to submit a birth certificate or another form of acceptable documentation to verify the student’s age. A social security number may also be requested, but such request is voluntary and is not a requirement of enrollment.

In addition, students may also be required to submit other registration materials as school officials may reasonably require, including but not limited to a certificate of immunization or an exemption as
prescribed by the Department of Health and signed by a private physician or appropriate health department official. The Head of Schools may accept alternate forms of evidence or modify otherwise applicable requirements as necessary and appropriate to accommodate migrant, immigrant, limited English proficient or homeless students.

**Students in Foster Care**

A student in foster care will enroll or remain in the student’s school of origin, unless it is determined that remaining in the school of origin is not in such a student's best interest.

**Placement of Students**

The school will determine the placement of newly enrolled students in accordance with state law.

**Attendance Zone and Class Assignment**

- **Attendance Zone Assignment** – Students residing within the Birmingham City School District are eligible for admission to i3 Academy and should the total number of available seats not be filled by students within the Birmingham City School District, students from any school district within the State of Alabama may become eligible for admission.
- Children of i3 faculty, staff, and board members shall be eligible for admission to i3 Academy.
- Class Assignment – Head of Schools will assign students to classes in keeping with school accreditation standards and any procedures or criteria that may be established by the Board.

**Transfers**

Transfers to another public or private school will follow the receiving schools’ guidelines for documentation and records submission.

**Withdrawals**

No student of compulsory attendance age will be permitted to withdraw from school except in accordance with state law and any withdrawal procedures that may be developed by the Superintendent. [Reference: Ala. Admin. Code 290-3-1-.02]

**Student Fees, Fines, and Charges**

Reasonable fees, fines, and charges not prohibited by law may be established by the Head of School and approved by the Board. All such fees, fines, and charges will be collected and accounted for in accordance with the procedures, rules, and regulations to be developed by the Chief School Financial Officer or as provided in the Board finance or local school finance manual(s).
