## Vision
We envision a world in which all learners excel in a global society.

## Mission
Our mission is to empower learners to be agents of change for the problems they see in their world.

## Beliefs
- If students fail, we all fail.
- Decisions are informed and strategic.
- Embrace differences. Many minds are better than one.
- Celebrate student voice through rigorous engagement.
- Access and opportunity drive achievement.
- Exploration is the beginning of understanding.
- ALL means ALL.

### Personalized Learning
- Objectives:
  - Implement high quality, personalized learning experiences to increase overall academic achievement and narrow academic achievement gaps.
- Critical Initiatives:
  - Invest in high quality curriculum and materials aligned to instructional practices that promote personalized learning.
  - Utilize iReady diagnostic assessments, individualized learning paths, and small group lesson plans.

### Social-Emotional Wellness
- Objectives:
  - Invest in SEL skills and implement high quality SEL curriculum to improve overall culture/climate, student behavior, and conflict resolution.
- Critical Initiatives:
  - Implement Caring School Community (CSC) curriculum, including Morning Circles, Closing Circles, and Caring School Discipline.
  - Provide professional development for social-emotional learning skills to build educator capacity.

### Agents of Change
- Objectives:
  - Implement Standards Based Grading and provide opportunities for student exploration and leadership to increase student ownership of learning.
- Critical Initiatives:
  - Implement standards based grading across the curricula.
  - Implement learning management systems (LMS) that support self-directed learning, including Google Classroom and Seesaw.
  - Implement STEAM across the curricula and provide ample...
